

# map GROWTH

## Precisely measure achievement and growth

MAP® Growth™ sets the standard for K–12 achievement and growth in math, reading, language usage, and science. By dynamically adjusting to each student’s performance, MAP Growth delivers a personalized assessment experience that accurately measures achievement and tracks growth. Gain precise insights for critical decisions and personalized instruction with the most comprehensive and trusted assessment—reaching more students in more grades across more subject areas than any other. Nobody else comes close.

## Track each student’s growth journey

MAP Growth shows how much growth occurs between testing events and, when combined with our industry-leading norms drawn from the world’s largest pool of student data, shows projected proficiency. You can track growth through the school year and over multiple years.

## Reach more students with the most comprehensive coverage

MAP Growth offers more subject and grade coverage than any other interim assessment. Support emerging bilingual students with select assessments in Spanish.

	MATHEMATICS	READING	LANGUAGE USAGE	SCIENCE
<b>ENGLISH</b>	K-12	K-12	2-12	2-12
<b>SPANISH</b>	K-12	K-8		
<b>COURSE SPECIFIC (ENGLISH ONLY)</b>	Algebra I & II, Geometry, Integrated Math 1, 2, & 3			Life science

### INTERIM ASSESSMENT FOR GROWTH

Serving more than 13 million students

### GRADE-LEVEL COVERAGE

#### K-12

Subject dependent

### SUBJECTS

- Math\*
  - Reading
  - Language usage
  - Science\*
- \*Course-specific tests available

### TEST TIME

#### 45–55 minutes

Untimed

### FREQUENCY

### GRADE-LEVEL INDEPENDENCE

Measures achievement of every student, whether on, above, or below grade level—even if standards change

### STANDARDS ALIGNMENT

- State standards
- Common Core
- Next Generation Science Standards (NGSS)\*
- AERO

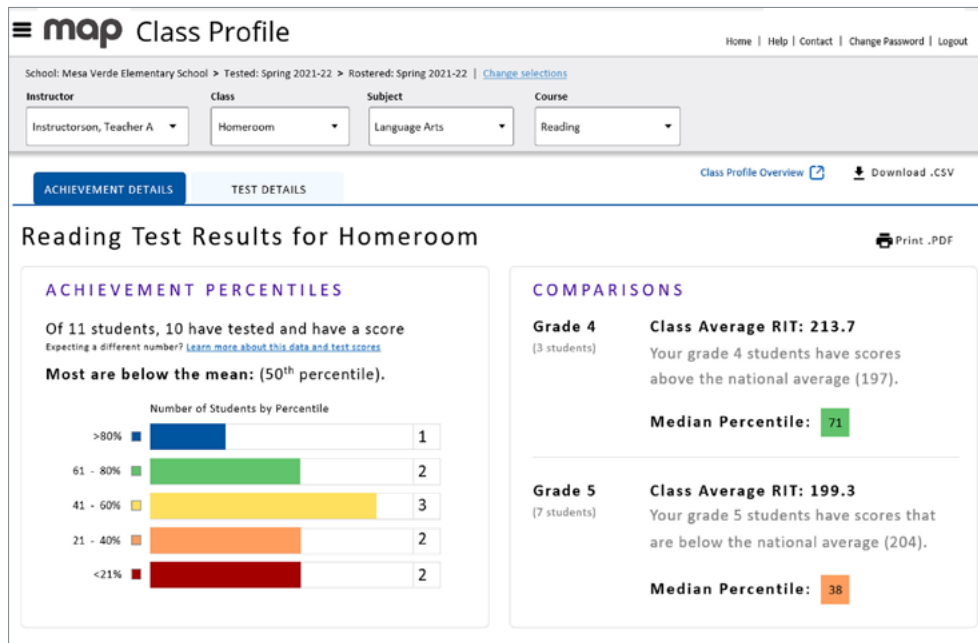

### ACCESSIBILITY

- Refreshable braille (grades 2-12)
- Keyboard navigation
- Screen reader (JAWS) compatible (grades 2-12)
- Magnification
- Color contrast adjustment
- Test & item aids (grades 2-12)
- Universal Design for Learning (UDL)
- Text-to-speech (grades 2-12)
- WCAG (grades 2-12)
- Alternative text descriptions for images (grades 2-12)

## Make critical decisions with the most comprehensive assessment data

Focus on next steps with easy-to-understand reports that help educators confidently plan instruction to meet each classroom's unique needs. You'll have a clear view of performance and growth at the student, class, school, and district levels, making it easy to identify trends, spot potential problems, and plan for improvement.

## KNOW SOONER WITH RAPID GUESSING NOTIFICATION

MAP Growth automatically identifies rapid guessing behavior, allowing the proctor to intervene and reengage students in the moment. Detailed reports provide further insight and help proctors and teachers determine who may need to retest.

## REMOTE TESTING READY

MAP Growth is available for onsite and remote testing. Millions of students have completed remote test sessions, with a multilevel analysis indicating the virtual format has little effect on student achievement.

“If we have a program that’s not showing results on MAP, then we’d get rid of it.”

**Dr. Lewis Holloway**

Superintendent, Bulloch County School District, TX

## Connect to the widest selection of instructional providers

MAP Growth gives you the freedom to choose from more than 40 products—including ones you are likely already using—to truly personalize instruction and make every classroom a data-informed classroom.

See all our instructional connections at  
[NWEA.org/instructional-connections](https://www.nwea.org/instructional-connections)

## Partner with NWEA for educator success

Activate MAP Growth with a robust, holistic slate of professional learning workshops. From interpreting data and goal setting to instructional applications and fostering a culture of growth, you'll find experiences for educators in every role.

Professional learning consultants are available for any setting—onsite, virtual, small group, or 1:1—built around your unique goals and local context.

- **Teachers and teacher leaders:** Interpret MAP Growth data to inform instruction and goal setting
- **Instructional coaches:** Refine skills to support teachers in instructional applications of MAP Growth data
- **School and district leaders:** Gain expertise in MAP Growth reports to foster a data-informed culture and set long-term goals

## ABOUT NWEA

NWEA®, a division of HMH, supports students and educators worldwide by providing assessment solutions, insightful reports, professional learning offerings, and research services. Visit [NWEA.org](https://www.nwea.org) to find out how NWEA can partner with you to help all kids learn.
