

WINTER 2024

Professional Learning Opportunities

This flyer provides an overview of professional learning opportunities offered statewide for teachers, teacher leaders, coaches, and administrators in Maine. In this document, you'll find a list of the virtual professional learning offerings, along with dates and times for each session. Session descriptions can be accessed on the [registration landing page](#). **Registration is required** for all virtual workshops where zoom links and calendar holds will be provided.

Virtual workshops

Virtual workshops may vary in length, depending on content, and will be delivered by a facilitator to a live audience. These workshops are offered on a first-come, first-served basis and have a maximum capacity of 40 participants. In a virtual workshop, participants will be able to engage and collaborate with the facilitator and other participants using a variety of virtual tools, such as chat, audio, and breakout rooms.
